Construction activity for the Metropolitan District's (MDC) Clean Water Project will begin in the Airport Road area of Hartford. Project details include the installation of a new wastewater pumping station, construction of a force main and sanitary sewer and the replacement of an existing water main.

WE NEED YOUR INPUT TO ENSURE THIS PROGRAM WILL WORK FOR YOU.

Please join us to provide your feedback and learn how you can stay informed during this construction season.

For more information, please contact Geeno Gordon, MDC Outreach Liaison at (860) 751-9894 or stop by the Outreach Office located at 499 Franklin Avenue, Hartford.
