

CONSTRUCTION UPDATE

Sigourney Street Residents

Restricted Driveway Access

Beginning the week of August 15th, the Metropolitan District (MDC) and their contractor, Baltazar Contractors, Inc. will begin concrete work for road restoration on Sigourney Street, which will take approximately three weeks to complete. **As a result, certain properties will not have access to their driveway(s) for 3-4 days.** You will be notified when the work is to take place in front of your property.
