

## **Municipal and Commercial (CESQGs) Hazardous Waste Disposal Information Sheets**

Municipal and commercial hazardous waste is now being collected by Clean Harbors Environmental Services, Inc. at one-day household hazardous waste collections held by the Metropolitan District (MDC). This packet includes all delivery information; please read it thoroughly for all details pertaining to the municipal and commercial hazardous waste program. Delivery of Municipal and Commercial (CESQG) waste requires an appointment. The waste will only be accepted at the appointed date and time, which will be on Saturday mornings only. A completed Material Description and Certification Form is required for delivery of waste. Clean Harbors cannot accept any waste that is not included on the Material Description and Certification Form.

Clean Harbors will accept typical hazardous wastes such as oil-based paints, solvents, acids, pesticides, and gasoline. There are some wastes that will be prohibited from the collections. To determine if a particular type of waste can be accepted, complete the Material Description and Certification Form and fax it to Kerry Martel at (860) 583-6612. If the waste can be accepted, information about an appointment and fee will be provided. If the waste cannot be acceptable Clean Harbors will try to offer other disposal options.

### **Part I. Qualifications for Participation**

- In order to participate in this program, your business or municipality must be located in Connecticut.
- This program is only for conditionally exempt small quantity generators (CESQG) of hazardous waste. In order to use this facility, your company must not be shown on state or federal records as a large- or small-quantity generator and must meet the requirements of the following description:

“A CESQG is any business, governmental entity, or non-profit that generates less than 100 kilograms (220 pounds) in a calendar month and does not store more than 1000 kilograms (2200 pounds) of total hazardous waste at any one time.”

\_For a complete list of CESQG requirements, please refer to the DEP booklet, "Conditionally Exempt Small Quantity Generator Handbook".

- To determine which of your wastes are hazardous, read the label, consult with the manufacturer, obtain a Material Safety Data Sheet or call Clean Harbors.

### **Part II. Requirements for Delivery**

1. Contact the MDC Household HazWaste Hotline at (860) 278-3809 and request a Conditionally Exempt Small Quantity Generator Material Description and Certification Form.
2. Complete the Material Description and Certification Form and mail or fax it to Ed Schorr or Kerry Martel at (860) 583-6612 for processing.
3. Clean Harbors will review the form and determine whether or not they can accept your waste.
4. The form will be completed by Clean Harbors and returned to you via fax. It will include your appointment date, time and the disposal fee.
5. If you are a small business, you must give the Material Description and Certification Form and a check payable to "Clean Harbors Inc." for the total amount of the disposal fee to the Clean Harbors Representative when the waste is delivered to the MDC household hazardous waste collection.
6. Municipalities will be asked to provide the proper billing information and an invoice will be sent to the proper authority.

Description and Certification Form  
Certification**

I hereby certify that I am a generator of hazardous waste within Connecticut. I certify that I generate no more than 100 kilograms (220 lbs.) in a calendar month and accumulate no more than 1,000 kilograms (2,200 lbs.) of hazardous waste on a site and otherwise meet the requirements of a CESQG as described in Section 22a 449(c)-101(b) of the Regulations of Connecticut State Agencies. I also understand that Clean Harbor Environmental Services, Inc., as operator of the Household Hazardous Waste collection and is relying on this certification. I understand that if in the future I exceed the quantity limitation described above, I will become subject to additional regulations as a hazardous waste generator and will no longer be eligible to participate in this type of collection program. I certify that I have the authority to make these statements on behalf of my institution, business, or municipality.
