

CONSTRUCTION NOTICE

The Metropolitan District (MDC) and their contractor, Midstate Site Development, LLC will begin working in your neighborhood to install a new water main.

Weather permitting, the work is expected to take approximately 6 months to complete.

If you have any questions, please contact **Keith Jones, MDC Inspector at (860) 209-9327, Jay Fakiledede, MDC Field Engineer at (860) 461-8299** or the MDC's Command Center at (860) 278-7850, ext. 3600.

As always we thank you for your patience and cooperation.

Whiting Lane July 2011
